Dedicated to You

Mr. Grimshaw

The Class of 2016 is honored to dedicate the yearbook to Mr. Jason Grimshaw, Leicester High School's Social Studies Lead Teacher and varsity golf coach. Regarding the latter, this is

an exceptional year for Mr. Grimshaw to be honored as he coached four players to becoming members of the SWCL all-star teams, in addition to yet another one of the team's fantastic seasons, cementing their status as the winningest team at Leicester High School. Inside the classroom, though, Mr. Grimshaw is certainly a one-of-a-kind teacher. Taking history with him as an LHS junior is a rite of passage, of sorts, and with his many electives taught, it is pretty likely that students will be taught by Mr. Grimshaw at least once during their four years at LHS. As a teacher, he is tremendously affable and unsurprisingly intelligent and well-versed in his field, a discipline in which his passion is never doubted. Additionally, Mr. Grimshaw's contribution to the Leicester community is one that has always been met with an immense amount of appreciation. Mr. Grimshaw's visibility at Leicester High School events does not go unnoticed as he has never missed an opportunity to be the judge of the annual talent show and the announcer of varsity football games, his voice cascading over the autumn audience with a "silky, smooth" quality, as described by Mr. Smith. Aside from golf, he also coached junior varsity baseball and varsity tennis. This year, Mr. Grimshaw will also be making his third trip to Europe as part of the World War II foreign travel endeavor. Dedicating the yearbook to Mr. Grimshaw is a decision that makes perfect sense, considering his position as a respected staple of the Leicester community. Deeply and from all of us, Mr. Grimshaw, thank you.

Above: That's not "Just For Men" hair color. That is Mr. Grimshaw's natural shade of red. Pictured above is photographic evidence from a homecoming game earlier this century.

Top Left: Mr. Grimshaw stood on the London Eye, one of the world's largest ferris wheels, with a beautiful view of London in the background. He got to enjoy this long ride as it took thirty minutes just to make one complete circle. This was a fun activity he took part in while on his popular Europe trip in 2014.

Top Right: Most students know Mr. Grimshaw as the voice of Wolverine football, but below is a picture of Mr. Grimshaw's first game behind the microphone; Thanksgiving Day 2009.

"There are two kinds of people in the world, and being a history teacher is better than both of them." While this isn't a direct quote from Mr. Grimshaw, we can all imagine him saying it.

Bottom Left: Here is a close up picture of Mr. Grimshaw in front of a park in London on one of the Europe trips at LHS.
Bottom Right: You might think he's wearing a wig, but that is definitely a mullet; Mr. Grimshaw's senior picture in the graduating class of 1988.

Changing the Future

Administration, Faculty and Staff

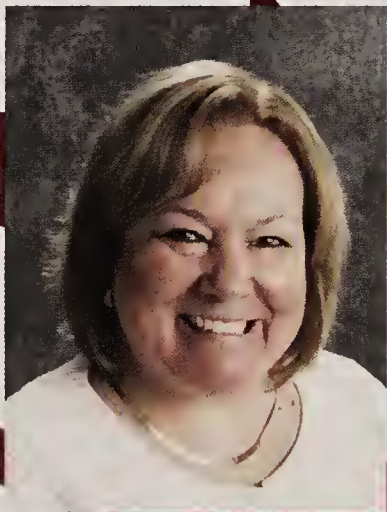

The Faculty and Staff at Leicester High School is one that deserves a great amount of recognition. Dedicating numerous hours before and after school, these people do an exceptional job making sure each student has an outstanding educational experience. Though the students may not give each and every faculty/staff member enough gratitude, the Senior Class of 2016 would like to say that their efforts will never go unnoticed. We thank this group of people for watching us grow from our freshman year to our senior year and being so kind, helping each student every step of the way throughout this high school journey. Also, aside from academics, the student body of LHS can always count on faculty and staff members for not only attending, but also giving their utmost support at all sporting events and the programs for our many clubs/activities we maintain here at Leicester High School. With the lessons they are teaching us themselves, there are many additional life morals and values we are being exposed to because of them; we cannot thank these men and women enough for everything they put forward toward our education and what they give of themselves for the student body at Leicester High School.

Underclassmen 2016

Left: Underclassman football players were called into the middle of the field to get riled up before their Homecoming game. It must have worked as they defeated Southbridge 38 -18.

Below: Two official trainers from Spartan Run joined Mr. Stanick and his gym classes to highlight the fun and strenuous effort it takes to train for a Spartan race.

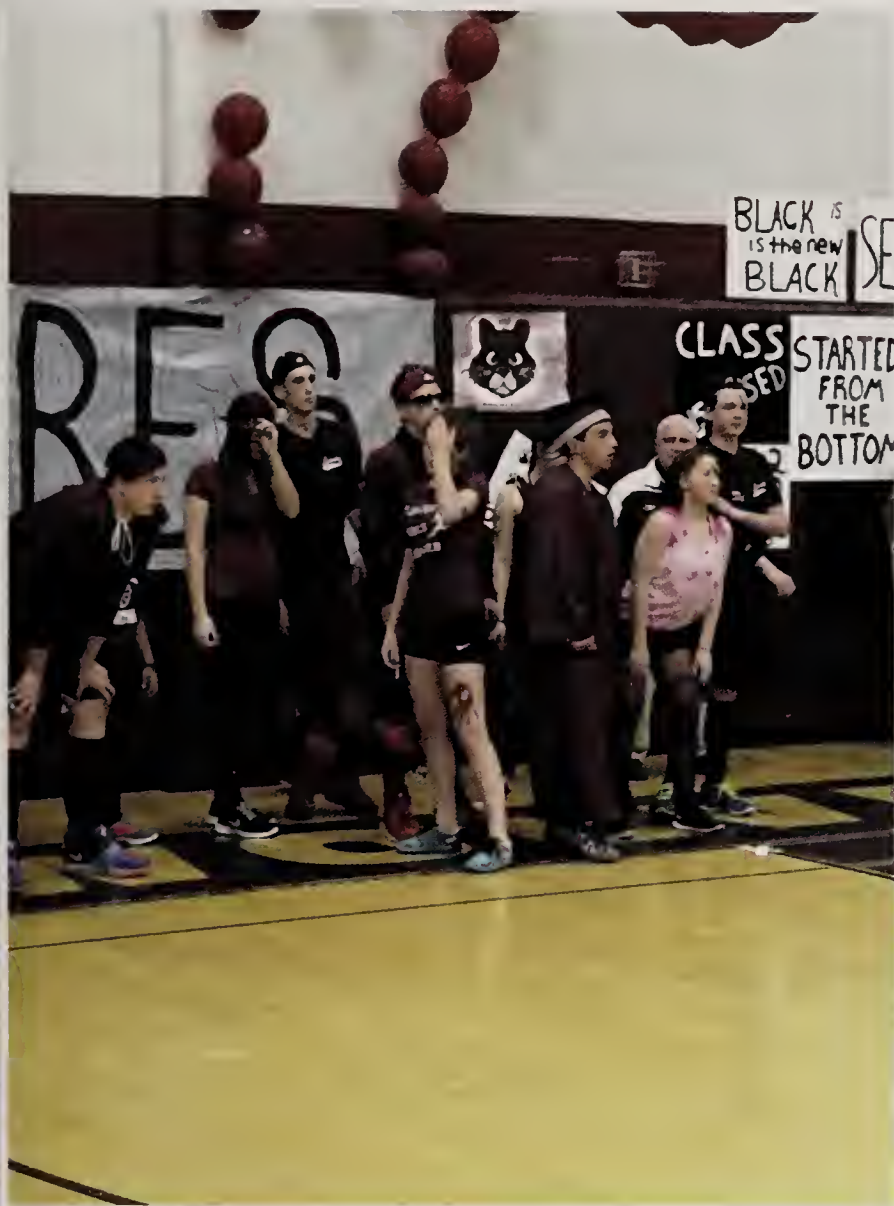

Underclassmen has come to mean any high school student who is not a senior. While being a senior is ultimately all underclassmen's goal, they should be sure not to miss all the great experiences along the way. Each class is vital to the make up of the school's culture, and the contributions of each LHS student help to make this school the great place it is. Besides, who would wear all those junior varsity jerseys if it weren't underclassmen.

Above: The junior football players gathered together in the center of the gym during the Thanksgiving Day pep rally in a new effort to raise the spirits of the student body by showing off their singing and dancing "talents".

Below: A group of underclassmen girls, who participated in the 2015 color run of Leicester High School, posed and smiled together, as they wondered how they were going to remove all of the color powder.

Above: The at-the-time sophomore olympic foolery team got fired up in their attempts to defeat the seniors in the first event of the competition. But, the seniors proved their strength by dominating in all of the events in olympic foolery 2015.

Bottom Left: Colleen Lamprey supported Elise Leveillee during her post season. By making her a poster she let not just Elise, but the whole team know that there were others rooting for them.

Bottom Right: Junior Danny George took a breathe after a tough play against Southbridge at the Homecoming football game. The defensive line took control of the field as the game went on, shutting down Southbridge's offense, and Leicester won 38-18.

Top Right: A group of sophomores pose in front of the water in Salem, MA during the History Club field trip.

Above Left: Alyssa Durham sang the National Anthem phenomenally at the Thanksgiving Day pep rally.

Above Middle: Matt Morrow jumped in the air to catch a bullet pass, demonstrating his skills when receiving the ball.

Above Right: Holding her steady stride to keep her the lead, Kaitlyn Pajer demonstrates her unbelievable stamina in this, and all of her other races.

Below: The fall sports teams headed to the middle of the field, during our first outdoor pep rally to witness the burning of our old Wolverine mascot; while the Leicester High School community was excited to welcome the new one.

Bringin' Freshy Back

Freshmen '19

The class of 2019 came from the middle school with the expectation that high school was going to be scary! Just last year, we were the top dogs at the middle school. This year, we hoped to become accustomed to high school as freshmen. We wanted to make new friends because in our diverse school no one person is the same. We hoped to learn how to traverse the school and find our classes on time, or find out who our favorite teachers might become! We also hoped to make our mark at Leicester High School! Whether it was joining or making a club, or helping to run student events such as dances, we wanted to be a part of making high school amazing for everyone! We wished to make difference in our sports team, whether going to the playoffs or winning a super bowl, we would be the class that could make that happen! Our fundraisers did well for our class so that when we had events for our class, they were one of the best events of our lives that we would remember forever! As freshman we have to much to look forward to, but when we are seniors what we have to look forward to is our lives after high school. Some of us will go off to the armed forces, some to college, or some will go right into working! Or some of us might leave and go join another school. But for now we have to enjoy every day spent at Leicester High School because it will go by fast! We will look at all the great memories we had whether it was from prom or other dances. Graduation is going to come up quicker than we think, and we have to be ready to leave high school with more good memories. Our

class, as a whole, is one I believe can be involved, open to new ideas, and not afraid to try new things. With the constant stress of high school work, hopefully together we can find things to do that will make this year fun for all of us.

I'm Great to the Core I'm a Sophomore

Sophomores '18

As sophomores the class of 2018 entered the school year excited to no longer be freshmen. We experienced many successes together as a class, introducing new fundraisers such as cookie dough, and Ed Sheeran raffle tickets. Unexpectedly, the girls even won Powderpuff. We witnessed the burning of the Wolverine, and American idol at the Thanksgiving Rally. We planned our last year at the freshman sophomore semi formal. The Up In the Clouds theme was decided and semi was a success. As sophomores we became more comfortable with the school and many of us began to get more involved in groups such as student council, or participate in more activities. Academically some of us took our first AP classes and as a whole we took our final year of MCAS. The year provided many fun experiences and memories that we all were able to share as a class.

BRING 17 ON!

Juniors '17

Junior year is the most important year of our high school career. We entered Leicester High School as upperclassmen for the first time. The halls were not uncharted territory anymore. We are now on the prowl for more fun. Our nervousness had left us and what grew out from its shell was a new confidence; a confidence only experience can give. This year was focused on many large events and academics. The SAT, the AP tests, and our finals were just a few. We prepared for a bigger and better year starting in September: right out of the gate. Our junior year started quicker and greater than we could have ever imagined. As a class, we had a large group of students show full school spirit every single day. Homecoming week was our time to shine. We showed off our well-developed school spirit with camouflage, tie-dye, etc. and not faltering with our spirit the whole week. Olympic Foolery, arguably the most hyped up school day of the year for all the grades was phenomenal. As athletes, we competed our hearts out and as fans, we lost our own voices cheering loudly for our fellow classmates. We also participated in our annual Little Caesars Pizza Kitchen fundraiser. This greatly helped raise money for our extraordinary Junior Prom. Speaking of the most spectacular event of our junior year, we transformed Union Station into "A Night in Paris." With the help of our Prom committee and our fellow junior's spirit, we were able to conduct and enjoy one of the most beautiful nights of our high school career. We have one more year left to fulfill all our dreams and accomplishments that we have waited to do for so long. Whether it be to get better grades, finish our last seasons with the varsity sports teams

strong, or even to make more friends than we already have, our senior year will be the last opportunity we have. So let us all take one more look back and reminisce about our wondrous junior year, and look forward to and dream about our senior year.

Go B16 or Go Home

Senior Class of 2016

It's probably a cliché to say this, but it feels like freshman year was not long ago at all. But the 2015-16 school year finally arrived to turn the Class of 2016 into seniors. And with this came the many long-awaited privileges of senior year. It began with a meeting of class officers over the summer to plan the turning of our senior hallway into a clandestine gauntlet filled with paw prints and pictures of Chris Pratt. Before the day was over, our jetted decorations were destroyed, but our final year of public schooling had just begun. Homecoming produced numerous victories for our Wolverine sports teams and Elisha Little and Dave Mello were named Homecoming Queen and King, respectively. Then, we voted for our class song which featured a peculiar switch from The 88's "At Least It Was Here" to Rob Thomas's "Little Wonders." Likewise, the senior sweatshirts underwent numerous instances of design during a rather transformative process. As time passed, we began applying to our colleges and beginning preparations for life after high school. The Thanksgiving Rally, the Winter Ball, concerts, games, the National Honor Society induction, the Yankee Candle fundraiser. Our close and friendly group experienced many "lasts" of sorts throughout the year. But everyone was most excited for the end-of-the-year festivities. Senior Dinner Dance will surely be a rousing success. Our Class Day and the senior prank will hopefully transpire without any glitches. College acceptance letters were delivered and the anticipation typically reserved for holidays in December pervaded our anxious, moldable minds as we prepare to take the next step. This next step will be initiated by our graduation ceremony, which will be held at the DCU Center on the second of June. By the time this passage will be read by seniors and Leicester High School students alike, the futures of the Class of 2016 will be imminent. It's been a great four years and we cannot wait to see what's next.

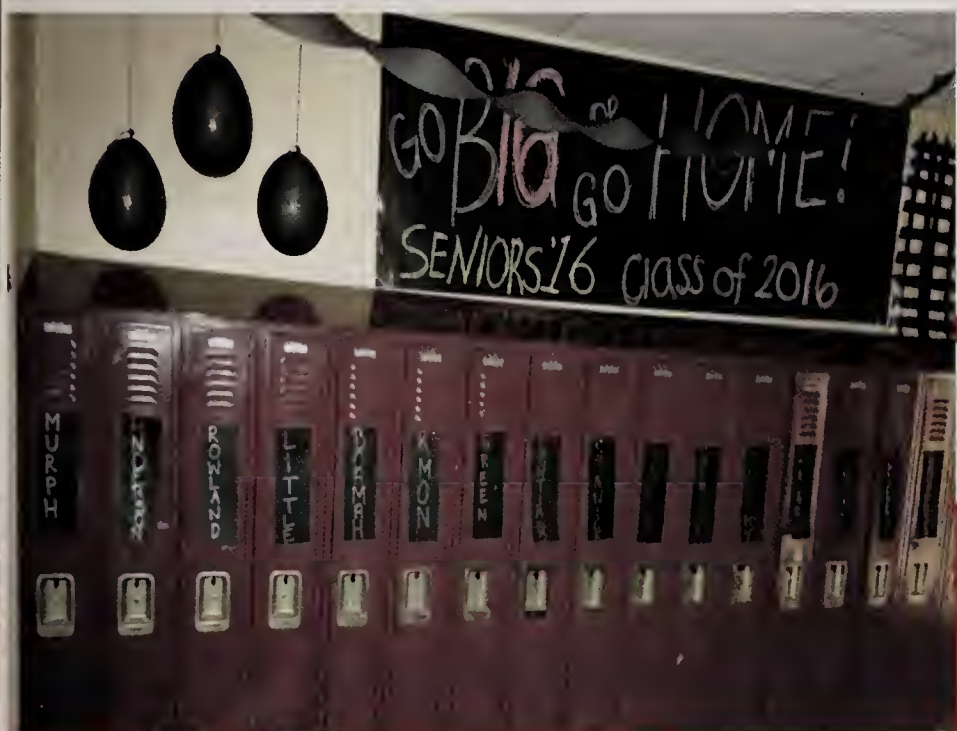

Above: The Varsity Football team proudly entered the field before taking home a huge victory against Worcester Technical High School.

Left: Seniors went into school over the summer, claimed the senior hallway and decorated it in such a way that the freshmen were intimidated to the point that they avoided walking down it. It is all in good fun and a Leicester High School tradition.

Top Left: The Homecoming court gathered together, surprised and excited that over all four years they were the ones chosen.

Top Right: The student body gathered to say goodbye to their beloved bear like Wolverine who had once stood before the school.

Junior Prom 2015

A Gatsby Affair

The class of 2016 looked forward to their junior prom since the first few days of their freshman year. After choosing the theme "A Gatsby Affair" that the whole junior class loved, the four class officers and two class advisers knew they were set up to have a great prom night. Having a sixteen-person prom committee, full of people who were interested in making prom a memorable night, only added to the benefits that this formal event was going to result in. The prom was held at Zukas Hilltop Barn, a beautiful venue that the students, the staff, and the chaperons enjoyed. The class of 2016 was also very thankful to have Casson-Foster Photography in attendance to capture many of the moments at prom that the students will be able look back on for a lifetime. A Gatsby Affair had a great turnout for this class due to all the effort put in trying to make it a wonderful, enjoyable event, which was indeed, a success.

Right: Prom King & Queen Dave Mello and Kaylie Mauch smile as they celebrate the honor they've received together.

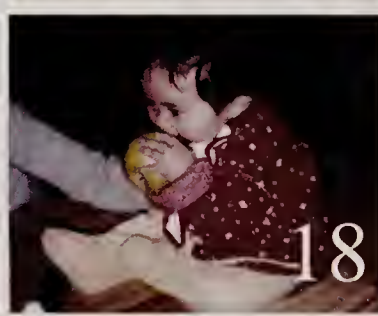

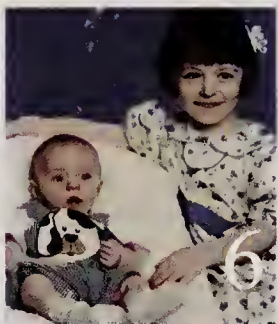

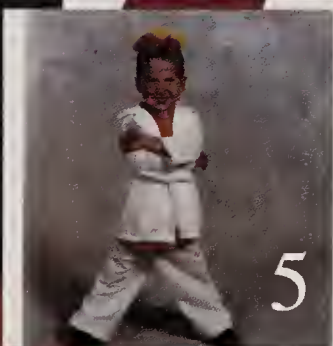

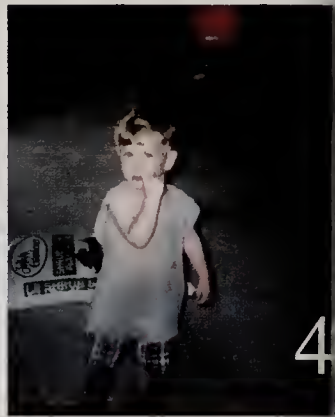

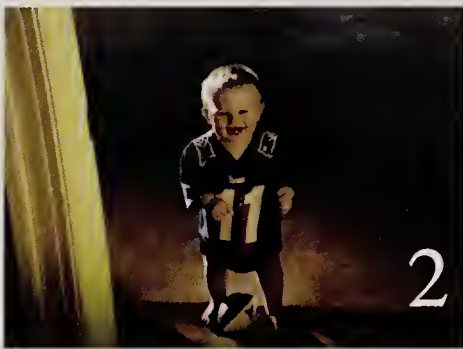

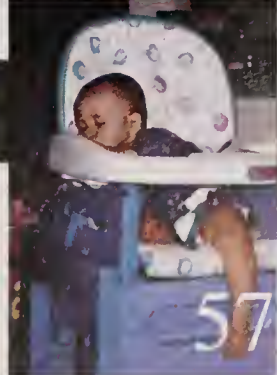

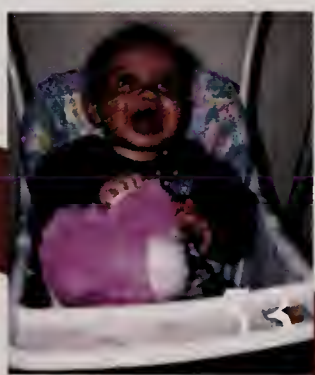

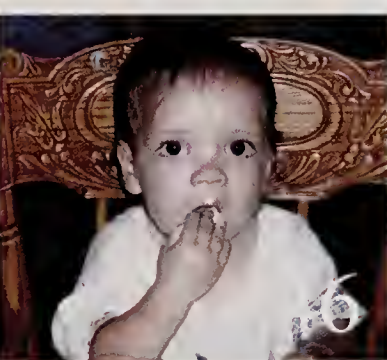

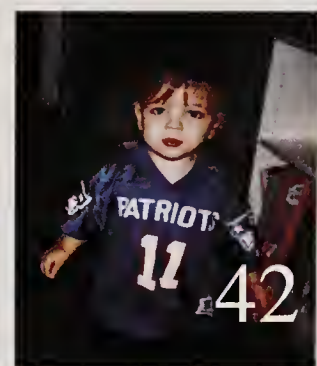

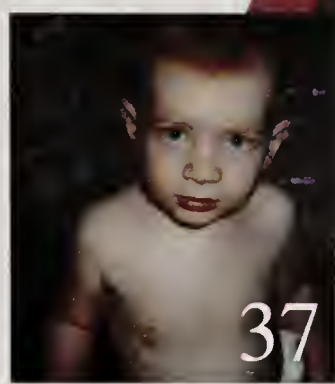

Above: Collin Giguere, Tyler Spaulding, Julia Reed, Olivia Downer and their dates to prom notice the camera man and pose for a picture together as they show off their close friendship, the wonderful time they are having, and how smashing they look in their formal wear.

Right: A group of friends led by Liang Dzindolet, Madison Rowland, Amber Santiago, Molly Murphy, Lauren Kowalchek, and Elisha Little give off a bright vibe as they demonstrate how closely they've been dancing together for the whole night. By the looks of it, they continued dancing for even longer after the photo was taken.

Homecoming 2015-16

Top: All students gathered together using their phones to watch and record the spectacle as our beloved Wolverine went up in flames because he tragically tumbled off his post earlier that year. It was sad to see him go, but at least the new one resembled an actual wolverine this time.

This year's Homecoming was an unforgettable one for everyone at Leicester High School. It was a Friday afternoon on which the traditional ceremony of the Homecoming rally was held, but this year was much different than most ceremonies. The school took a gamble at having the ceremony outside rather than in the gym. The faculty were unsure of the turnout, but it was positive overall. Not only was this Homecoming different because it was outside, but we as a school watched our ancient Wolverine mascot, that guarded our parking lots, go up in flames that day. The burning of the bear made up for not having the annual bonfire, and all students and faculty bonded as they watched the old fall, and also watch the new Wolverine be proudly put up; thanks to the Class of 2015!

Right: History teacher Mr. Lennerton decided to dress up in his kilt and play his bagpipes for the students and faculty on this rare, and special occasion.

Bottom Right: After being introduced, the athletic teams gathered to get a head start to see the wolverine:

Below: The football team, which is the largest team at LHS, spanned across the field as they were each called up one by one.

Top Left: All students are sat in the bleachers while our fall sports teams were recognized, along with our Homecoming Court.

Top Right: The LHS cheer team put on one of their performances for the whole school right on our football field.

Bottom Right: This select group of students proudly escorted the old Wolverine into the crowd of their peers as they all waited for it to go up in flames.

Dancing on the Ceiling

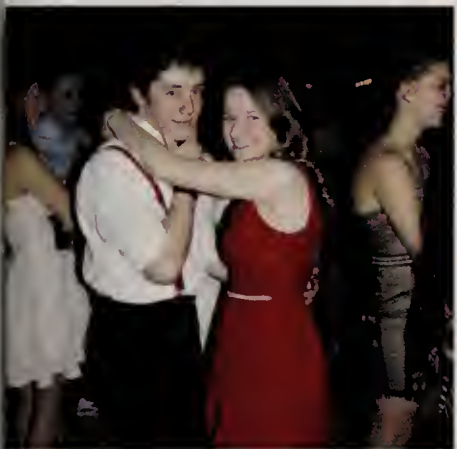

Up In The Clouds

Above: It wouldn't be a Leicester High School dance unless some serious line dancing was involved.

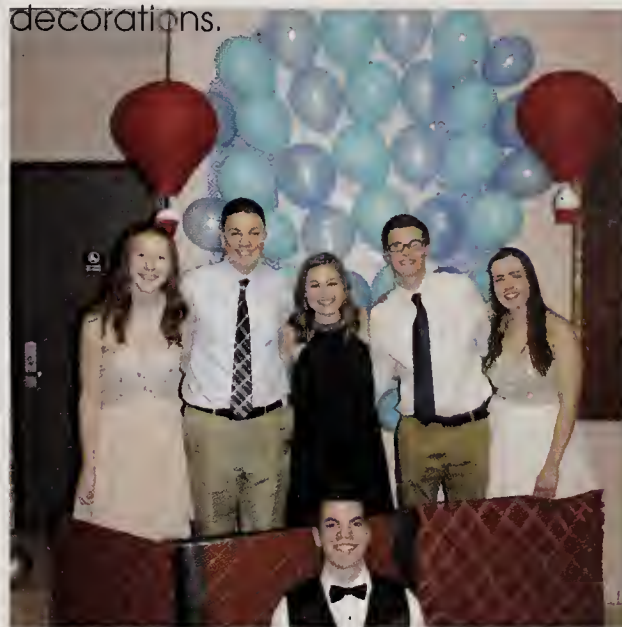

On Friday, February 26th, 2016 the Freshmen and Sophomore class held their annual semi-formal dance. The theme this year was "Up In The Clouds". Class officers and committee members decorated the cafeteria and hallway in an aviation theme, including hot air balloons, and arrival and departure signs. Mrs. Warken and class officers spent many hours developing the theme and it showed. The cafeteria was transformed into a night sky and the entrance hall was made to feel like a walk through the clouds. Freshmen class advisors Ms. Carey and Mrs. Gahagan, along with Sophomore advisors Mrs. Warken and Mrs. Nadeau, and a host of class officers and volunteers outdid themselves making the night very special for the guests.

Class Officers

Under the guidance of advisors, Ms. Looney and Ms. Engvall (who we so very much missed after she went down to the middle school), the LHS Class of 2016 officers worked hard to pull together what was always teased as the most eventful school year of all. President Molly Murphy, Vice President Dave Mello, Secretary Shelby Miller, and Treasurer Paul Pepin met nearly every Tuesday during tutorial to discuss the advancement of such exciting events as Senior Dinner Dance, the Yankee Candle fundraiser, Olympic Foolery, Class Day, and graduation, too, of course. From creating slideshows in the middle of February that would not be seen until the end of May, to conducting a plethora of surveys that influenced the entirety of the year's remainder, the senior class officers did their best to make this the best year possible. It was a long journey from touring the DCU Center on the St. Patrick's Day of junior year to standing on the stage fifteen months later on the second of June. Never mind the simple journey from preschool to twelfth grade, through which these class officers were so grateful to lead their classmates.

Brandon Clay, Harsh Patel and Isabelle Notaro all returned to their previous positions in office for the Class of 2017's junior year. Brandon Clay was the President. Throughout the year he took charge and directed the organization of prom as well as the classes' fundraisers. Harsh Patel as, Vice President, aided Brandon in his endeavors. He was instrumental in helping to organize many of the meetings and produced spectacular ideas to increase school spirit. Isabelle Notaro remained Secretary of the class. She recorded the minutes of many meetings, wrote up announcements and letters for the class. Patrick Whalen became Treasurer this year. He managed the classes bank account and contributed his ideas to discussions that would benefit the class.

Sophomore

Being a sophomore class officer is a difficult task, but worth every second. It comes with a lot more responsibilities than freshmen year. For starters, fundraising. With prom coming up, we have to get effective fundraisers, and everybody has to help out and chip in. The pressure is on to raise lots of money in order to have a great prom. Another responsibility is managing the semi-formal dance. As freshmen, you are tasked to assist the sophomores as they run the dance, and you are very involved with the planning/decorating. But as a sophomore, semi is your child, and you have to nurture and develop it into a spectacular extravaganza. Lastly, we have to start thinking about a prom venue. We have many prom venues to look at. We are looking forward to continuing our journey through high school as one big ol' family.

First Row: Christopher Porcaro, Paige Doku, Robert Kemp, Shawn Soucie

Freshmen

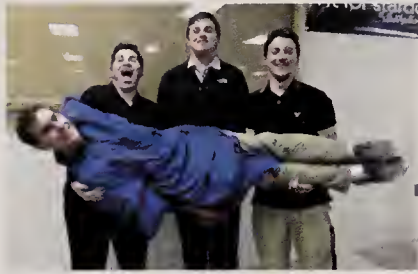

As the elected officers, we are the voices of our class, giving us the power to encourage students to make great impacts on Leicester High School. Change is a tiny word, but has so much power behind it. We hope that we can make this change to our school, in positive ways. We want to bring more attention to our school through fundraisers and events we host. It will help attract the attention we need to help fund certain programs in our school or to open up connections with schools all around the world. We also want to help make the dances and other events amazing to help people make memories they will never forget. I mean this is high school, the last stage of childhood. It's known for the memories people look back on. In order to do that, we need money so we helped raise a lot of money through our butter braid fundraiser back in November. It has provided us with the funds needed to help us create those memories we mentioned earlier. We hope to have many more successful fundraisers for our class. By the time prom and graduation comes around, we are going to be able to make it amazing and something we all definitely won't forget!

National Honor Society

Senior Luke Ford took a picture with some friends in celebration of being inducted into the National Honor Society.

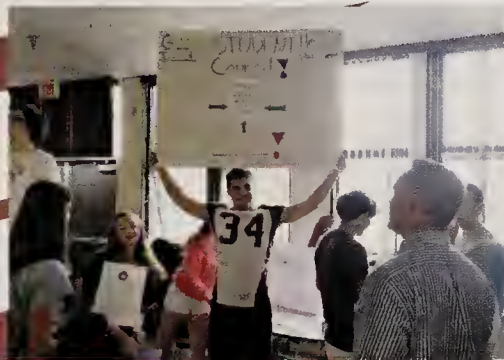

This year, thirty three new members, both juniors and seniors, were inducted into the LHS Chapter of the National Honor Society. Our chapter now has a total of over fifty members. All members of the National Honor Society were admitted based on their Scholarship, Character, Service, and Leadership. The requirements for Scholarship included a grade point average of a ninety or above. The officers of National Honor Society are: President- Karishma Sewsankar, Vice President- David Mello, Recording Secretary- Brianna Cicero, Corresponding Secretary- Ashley Granger, Treasurer- Madison Sherman, Parliamentarian- Annalise Robidoux, and Historian- Olivia Downer.

Student Council

Sophomore Christian Russo held the Student Council sign at the activities fair, hoping to draw students in to join.

Student Council is a group of students who exercise the practice of democracy in order to improve their school community. This year, the incoming freshman were elected as Student Council members while potential members of other grades underwent an application process on how to improve the school. Student Council is supervised by Mrs. Belhumeur who tirelessly dedicated her time to organizing all of the events that occurred throughout the year. This year, Student Council hosted Homecoming Week, Powder Puff, the Variety Show, Olympic Foolery, and much more. Student Council is a leadership group which includes one member from each leadership group, such as class officers and clubs. This combination of groups assisted in spreading fundraising campaigns and events.

The Leicester High drama club was a blast this year. The play cast has done it again! This year's production was *Zombie Night* and was a great success. Under the guidance of Mrs. Dutton the show went from nothing to phenomenal in just four months. Each show turned out great, and improv night was a hit! Overall, it was great fun for all and the show will be remembered for great music and dancing for the rest of our lives.

Film Club consists of a group of movie lovers who know how to have a fun time! Filled with popcorn and awesome movies, the Film Club typically hosts a "Film Club Movie Night", where they play video games and watch an entertaining movie to end the evening. And these "movies" include EVERYTHING; from popular TV shows including *Doctor Who* and *Teen Titans* to horror/comedy movies such as *Shaun of the Dead*. With our group advisor, Mrs. Bernier, affiliated with the Hanover Theatre, we also have seen a few Hanover productions, one of which was *Dr. Jekyll and Mr. Hyde*!

History Club is exactly what it sounds like, an awesome club designed for those who love history! Now, you may be reading this and say to yourself "Wow, that sounds boring, a club all about history," but that can't be further from the truth. The club is very fun, exciting, and great for those with a passion for history. Not only is it full of wonderful students that are there to show just how much they appreciate history, but it also has an adviser that makes meetings interesting to attend, Mr. Lennerton. On top of all the fun we have at the meetings, we also go on field trips.

Field trips are always fun, but the History Club's are especially fun. This year, the History Club went to Salem, around Halloween time! We got to visit the Salem Witch Museum and the Salem Dungeon Museum. Also, the students got about an hour and a half to wonder around and look at all the interesting sites. Since Mr. Lennerton is full of knowledge, he decided to give the students a tour around the town between museum visits. This is only one example of the many historical places the History Club has gone to.

Students gather around the environmental club booth to get in line to sign up at the activities fair.

Environmental club consists of students who actively wish to help our planet. They run the recycling every week and some of the members form the Envirothon Team to compete in a state wide environmental science competition.

As a collective, we hope that we can come together to make a change in not just our community, but the world; and all it takes is throwing a bottle in a different bin.

Teens Act is a fun student organization that allows students to work together to make this school what they want it to be. This group is led by Ms. LaPrad and student officers, Shannon Prouty as President, Maddie Constantine as Vice President, Izzy Notaro as Secretary, Alysse Carpenter as Treasurer and Haley Nicholson as Social Coordinator; and it's growing rapidly. This year, we've focused on two main projects: Project 84 and HeartChase. Overall, the Teens Act experience has been a great one, and we have had a lot of fun together this year. We meet twice per month to talk about updates for the club and to organize all of our plans for the future. We can not wait to continue with this group next year!

GSA held a paint night where students and parents could learn to make a painting step-by-step.

The GSA was led this year by our dedicated officers and advisor Ms. LaPrad. Our officers were: President Deidra Jessing, Vice President Skylar Jessing, Secretary Thea Shippey, and Rose Grady was our Treasurer. The GSA hosted a Paint Night fundraiser where we sold concessions and had raffles. We had a great turn out and earned a lot of money that day. We also hosted an after school event which focused on LGBT History and support for students coming out. We took bi-monthly trips to the LGBT Leadership Council Training with other high schools around Central Massachusetts. We also hosted an Ally week where students learned more about the LGBT community. On Friday of Ally week we hosted the Day of Silence where students made a pledge to be silent and wear black for those who can not speak out in their community. We raised money for the LGBT Asylum in Worcester by selling rainbow ribbons for a dollar a piece. We enjoyed having guest speakers talk to our school community. We have had a great turn out for every event we have hosted, and we hope GSA continues to grow.

Earlier in the year, chorus performed a flash mob by singing during each of the lunches.

Joining chorus will help build confidence and teach you who you are as a singer. Even if you do not sing, but you play an instrument, you can learn to easily sing with the comfort of your teacher. This club allows you to find your range (alto, soprano, etc.) and to explore your vocal capabilities. As we learn songs for the concerts, we get better each time we do so, due to vocal warm ups and exercises. There is a fall and winter concert for first semester students and a spring concert for second semester students. After perfecting the chorus songs, soloists, duets, and groups are allowed to audition to be in the concerts. We work together to create beautiful masterpieces by the end of the year.

Tri-M Music Honor Society, formerly known as Modern Music Masters, is a music honor society and is a program of the National Association for Music Education. It is designed to recognize students for their combined academic and musical achievements. It also provides leadership and service opportunities for the dedicated musicians of LHS. The 2015 Chapter 6465 of Tri-M Music Honors Society is led by President Austin Pratte, Vice President Jordan DeGaetano, Secretary Katelynn Wackell, and Treasurer Jaymi-Lyn Souza.

Leicester High School's school newspaper, The Arrow, excelled this year. With editions being released online almost monthly (and with two more in development as of March 10th), The Arrow's staff of journalists persevered through adversity and a rigorous schedule to put forth their best work. Articles about Leicester's bowling team, Polish culture, the New England Patriots, David Bowie, bullying, the Fall Concert, cross country, and an ethereal meeting with Mindy Kaling have permeated the journalistic and literary mindset of Leicester students. Of course, full issues can always be found on Twitter by checking out @arrownewspaper. There will always be something there to pique your interest.

The 2016 yearbook was planned and designed by seniors Madison Rowland, Elisha Little, Talia Tiscione, and Lucas Ford. The four of them worked hard in and out of class to meet each deadline for when pages are due.

Yearbook is unlike most clubs due to the fact that it is an actual class that earns you credits. This is because there is a lot of work that is expected in a very limited amount by very few students, who have to work their hardest because the whole school is counting on them.

The Art Club is designing a mural on one of the stair cases that mirrors LHS student life. The club continues to make progress with it, and hope to finish by the end of the year.

Art Club is involved with most activities at Leicester High School. From the moment school starts to the end of the school year, if there is an event, art club probably is involved in it some how. This year, Art Club had a busy start as they readily prepared to bring some fresh activities to the Harvest Fair. Art club took the Alice in Wonderland theme of this year's Harvest Fair and created giant Alice in Wonderland coloring pages. Art Club also participated in their yearly face painting at Breezy Gardens. Under Ms. Rieder's direction, Art Club President Carley Cascione, Vice President Judy Le, Treasurer Aleksy Golemo, Secretary Rose Grady, Publicist Amelia McCarthy, Craft Fair Chair Scott LeBoeuf, and Historian Jordan Davis, kept the club busy throughout the remainder of the year.

A group of students pose for a dance, hosted by Peer Leadership.

Peer Leadership began this December. Our goal is to give back to the community and the school in any way possible. So far our first year has been very successful. Every Tuesday and Thursday a group of students goes down to Leicester Primary School to an assigned class room and helps out the teacher with anything that is needed. In addition to that experience, we also hosted a dance for the incoming eighth graders, showing them a reason why Leicester High is the right choice for them. Hopefully we can continue this next year and expand our positive effect on the community.

Junior competitor Jay Waterman bowled at many competitions, and could always make an impact for the team.

Team leaders Mike Scotia and Jay Waterman started the bowling club at the beginning of the winter of 2015-2016. Each member was placed on either A, B, or C team based on their skill level, giving each student a fair game and a chance to have fun with their friends. B team was able to excel at the Bakers Games because of their enthusiasm, teamwork, and determination; giving them the privilege to compete at states. This new club was a hit for its first year, and we all look forward to next winter for it.

Ski club is a 6 week long program, we met on Wednesdays each week throughout the "winter" this year. The conditions weren't ideal for this season, but the view from the top of the summit made it worth the going through all of the slushy snow! With the help of our adviser Ms. LaPrad, we all had a great time going to Wachusett mountain on the school bus with our friends.

The LHS math team set up a booth at the activities fair in hopes of getting more students to join.

Math Team is a group of dedicated math lovers that compete across the state of Massachusetts. The team participates in challenging competitions that put their math skills to the ultimate test - though not always competitive - and are a great deal of fun! As a "mathlete", you learn new math skills, get to meet new people, and have an overall great time. Led by our group adviser Mrs. Grimshaw, the Math Team won first place in our division last year, and is sure to have another great year!

Book Club

A new organization for the school, Leicester High School gleefully engaged in literary indulgence once a month as a result of the book club! Led by Mrs. Grimshaw, the small group of students met in the library on the last Monday of every month to discuss the chosen novel that the weeks prior had been spent devouring with a hunger for words satiated only by five books as of March 2016. First, the book club read Sarah Dessen's *Saint Anything*, followed by *This Dark Endeavor* by Kenneth Oppel, *Bossypants* by Tina Fey, *Kate Elliott's Court of Fives*, and most recently, *I Am Malala* by Nobel Peace Prize winner Malala Yousafzai. It has certainly been a memorable year for LHS' book club.

The Leicester High School International Club (led by Madame Southwick) had a great year! After weeks of working hard and planning, we decided to take a wonderful trip to Québec, which proved to be a tremendous experience for our many travelers from both Leicester and Auburn High School. January, the time of the trip, arrived quickly as we enjoyed four days of winter in Québec. We loved every second of it! The days were filled with fun and informative activities like museums, city tours, etc. We explored the culture of Québec and gained a knowledge of its history. We are very thankful for such a great opportunity. In April, eight students and Madame will travel to London, Paris, Florence and Rome for a trip of a lifetime. Bon Voyage!!

Fall Sports 2015

The Leicester High School fall sports teams have yet again experienced very successful seasons. The boys and girls varsity soccer teams and the golf team all had winning seasons and qualified for the District Tournament. The varsity football team made it to the playoffs, and the cheerleading team placed fifth in the state cheering competition. To say the least, each team this year was welcomed with success and also faced hardships that they surely overcame showing their true LHS colors. As always, winning is great, but nothing is better than the bonds and relationships created within these sports.

Hustle, Hit, Never Quit

Varsity Football

Coming back from a 4-7 season in 2014, the LHS varsity football team was seeking redemption. The Wolverines couldn't have been more prepared for the first game of the season after lifting in the off season, working hard during conditioning, and putting forth the extra effort during practice for weeks prior to taking on their first opponent. They did in fact prove their readiness after coming out on top 28-12 and completely setting the tone for the rest of what turned out to be a great season. The

second, third, fourth and fifth games for these players only continued to prove the limits they were willing to push even more, winning with scores of 39-0, 22-0, and 28-8. There was enough confidence within this team to take them to the postseason, which it did. Moving forward with momentum, the football team went 5-0 before they left their home field with their first loss. The loss only made practices longer and harder. In week seven, the Wolverines went on

to show their dedicated fans what they're really about after taking home a win from Bartlett, even after the shepherd's pie sickness that spread through the team just days before. Set backs that occurred during this journey, the last high school football journey for ten players on the team, only made them more motivated. Though they encountered some very talented opponents, it takes an incredible team to walk away from some of these games while not dwelling on the loss, but appreciating what every one of them was able to take from it, and that is the love for the sport itself. Blood, Sweat, Cheers

Varsity Cheerleading

Returning this year as defending SWCL Champions and Central Division 3 Champions was not an easy reputation to live up to for the LHS cheerleaders. Starting with six less seniors this season, the girls had a lot of work to do. After five weeks of cheering on the LHS Varsity football team at their home and away games ending with win after win, it was finally time for competition season. Leaving the Shepherd Hill Invitational with first place, the fourteen girls competing knew they were as

ready as they could be. Next up was the SWCL Championship. Lucky for us, Leicester High School was honored to be the host of the competition this year, in our very own gymnasium, which turned out to be a huge success. The girls finished as runner up in this competition and had a score that would move them onto regionals with flying colors. The girls went on to again receive a qualifying score to move onto states; and proudly took the runner up spot at the Regional Central Massachusetts Championship. Consistently taking home outstanding scores, this team knew they were ready for states and for sure they deserved to be there. Their talent showed as they ended up one of the finalists, top 5 in Massachusetts. Competing against thirteen other teams in a very talented division, fifth place would never seem bad. It is important to add, two years ago, the team didn't have even a chance to make it to the state championship; this team is pushing to limits that have not nearly been reached within the last 10-15 years, and a key part to this is coach Rachel Sibley. Losing only two seniors this year, senior captains Elisha Little and Callie Kmon, the girls look forward to advancing even further next year in talent and successes still with coach Sibley alongside them.

Boys varsity soccer was looking forward to the season this year. After making it to the first round of districts last season, the boys made it to their goal to make it further. Returning eight starting players from last season and having thirteen seniors gave the boys enough experience to be a top contender. We also had returning varsity goalie, Zakary Ford, who was a vital key to the team's success.

The season was as good for the boys as they ended with a record of ten wins, six losses, and three ties. The team placed second in the SWCL West conference. This was familiar to the boys, because that is how they ended last season. Sure, the boys had given some games away, but they always fought hard and strong until the end. They went through thick and thin, putting their blood, sweat, and tears into their die-hard performances throughout the season. The boys did play powerhouses like Tantasqua and Grafton as well. Although they lost two of the three matches between these two teams, the boys were able to keep it a close game throughout, which proved that Leicester was a threat to the other SWCL teams. The boys' season ended yet again hosting in the first round of the District Tournament. This year they would face Nipmuc Regional High School. It was a nail biter of a game, going into double overtime, but ending with a loss with only forty seconds left before going into penalty kick rounds. The boys proved that they had heart and were not going to give up that easy. Scoring their goals off of free kicks from their leading scorers Justin Connor and Anthony Notaro. The boys went out of the season with a tough loss, but they will again be able to look back on another great season. - Anthony Notaro

Girls Varsity Soccer finished their season 14 - 4 with nine returning starters and four were named captains: seniors Madison Rowland (center back) and Madison Sherman (goalie), Juniors Abigail Meyers (midfield) and Talia Borci (forward). girls always managed to stick together and support each other. The girls recovered after losing their game to Auburn early in the season. This taught the girls to come together as a team and work harder to put more intensity into their games and practices. After this loss we started an eight game winning streak, allowing them to be put us into districts with winning against Northbridge and undefeated Holy Name. Sophomores Cam O'Leary and Maddie Dufries are not only best friends off the field, but also a scoring duo, pulling off last minute winning goals in the toughest of games. Maddie Sherman could always pull off amazing saves to keep the team in the game, or even to get a shut out. The freshman came in holding their weight and helped the team complete their starting line up stronger than ever. It was a great season full of memories, and no regrets for the 2015 girls varsity soccer team. - Madison Rowland

Keep Calm and Fockey On

Varsity Field Hockey

LHS Fockey started off the season great with a win against Clinton 8-0, led by captains Ally Crowley and Hailey Boucher. The team is losing 6 seniors next year, most of whom had starting positions, but even though the team is losing a huge part of the team, next year will also be a great season because there are many underclassmen that can step up and make next year even better than this one. The spirit of the team has also been carried on and off the field.

The girls varsity field hockey team would also like to thank fourth year coach Kristina Looney for doing a great job of leading the team through another tremendous season. Coach Looney continues year after year, pushing this team to new limits and helping the athletes to reach their potential. The team defeated some opponents, had close ties, as well as some disappointing losses. Through the ups and downs of the season, each player and each coach kept their faith even when times got rough. As always, the team got along great and became a family, no matter what kind of challenges were faced.

Varsity Golf

The Leicester High golf team had a very successful year. With a solid record of 15-2-1, the team propelled its way through the season with a combination of depth and skill. The starting lineup consisted of all veterans who contained a balanced set of talent and experience, as the record certainly showed. They were led by junior co-captains Reece McLeod and Ryan Greaney, along with juniors Shane Bowes, Sean McCarthy, Pat Whalen, and Cam Hart. Some of the

most memorable moments of the season were upsetting Sutton and Tantasqua, where everyone contributed for the wins. The team also managed to make its way to the district tournament for yet another year. Districts was played at Blissful Meadows Country Club in Uxbridge, where the team placed 5th out of 12 with a combined score of 350. At the SWCL tournament, located at Leicester Country Club, the team finished 2nd, falling to Tantasqua by a measly six strokes. The team, as well as Coach Grimshaw, have very high expectations for next season, as all of the starters will be returning.

Your Sport's Punishment

Varsity Cross Country

As anyone would say, the third time's the charm. This was the third year Leicester had a cross country team in a very long time and we are glad to say, the building stage is finally over. With Coach Everett, Coach White, Coach Pajer, Captain Scott LeBoeuf, and Captain Kaitlyn Pajer leading the team through SWCL, we managed to exit with four wins for the boys and three wins for the girls. A three letter word like win is such an

understatement for what the team has done this season. For those of you that don't know, cross country is a three mile run through dirt, grass, mud, leaves, rocks, hills, pavement, sand, in just about any weather. Cross Country is not fun, it is exciting. The meets are rarely postponed or canceled so there are no excuses for not being prepared to run; it is you against time and the environment, two of the most uncontrollable things known to man. Whether we started practice counting stretches in spanish, or like we just graduated pre-school, we all showed up to learn something new or make improvements from the previous day. Rookie senior C. "Tuna" Giguere trained over the summer by participating in Spartan Races, a race ten times harder than your average cross country race, and the team would not have been as successful as they were without him. Senior Dan True joined the team for a second year as he battled each race leaving all of his energy out on the course. In the meet against Auburn High School he made an outstanding sprinting finish to steal the win from Auburn by just one point! Captain Scott LeBoeuf had a nearly perfect season, grasping first place against nine different teams and second place against only two others. It was not only the seniors making honorable highlights. Junior Captain K. Pajer was only five places off from qualifying for states! Junior Ben Boudreau, the final athlete remaining from the original 2013 team, improved his time by five minutes just this year! His love for the sport and the team is unending and was a great role model for all the new runners we picked up this season. Junior Q. McKeogh rejoined the team for his second year and had a phenomenal districts race and averaged seven minutes per mile throughout the race to come in second for Leicester. The final Junior on the team was Kaitlin Dainis and she had a jaw dropping season by improving her race time by six minutes in her first year of being on the team. Connor Friend, the only sophomore on the team, flew through the SWCL League Championship and was a perfect example of how you give one hundred percent at each race and two hundred percent at the championships. Finally, we have K. Pajer's shadow, the only Freshman, Emily Moughan. With her finishing 39 out of 163 as a Freshman proves Leicester will have a successful future with cross country, especially with the help from the middle schoolers on the team. "The past three years of being part of this team have been amazing. Thank you Coach White, Coach Everett, Coach Pajer, Coach Desilets, Coach Rundell, and Mr. Zawada for establishing cross country in Leicester. I couldn't ask for a better team, coaches, or school." -Scott LeBoeuf

Below: Having experience running up and down hills, through woods, and many other poor weather conditions, junior Quintan McKeogh made running multiple miles on the track seem like a very easy task.

Left: Ben Boudreau runs tethered to Coach Pajer as they competed on Leicester's home course. Ben runs tethered for both practice and meets, but that doesn't slow him down. The hard part is finding somebody that can keep up with him.

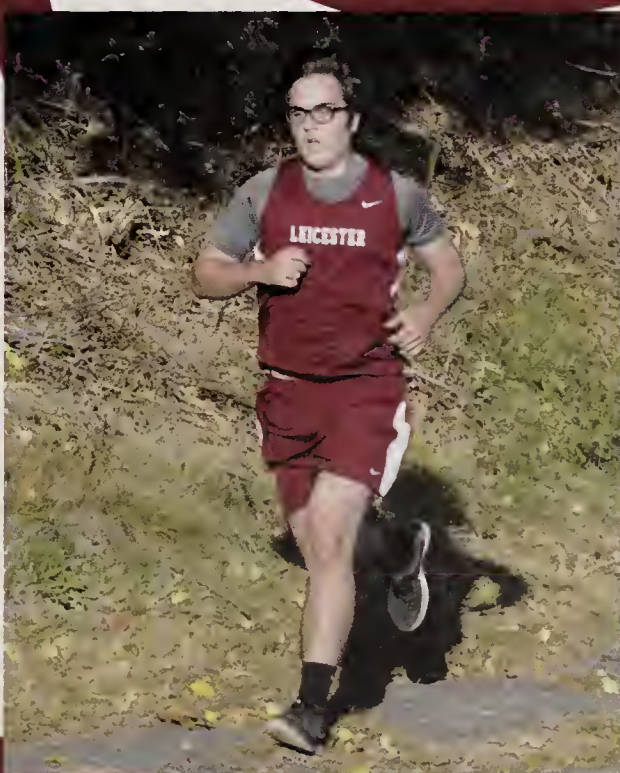

Below Left: First team SWCL All-Star Kaitlyn Pajer led the pack, as usual. Below Right: It stands to reason that on Leicester's home course that Leicester athletes, Scott LeBouf and Connor Friend would be leading the race. While cross country athletes do not pace each other during races, running together, especially when a fellow teammates ran well, can improve the times of all the runners in the pack.

Right: Staying true to his word, Daniel True returned for another season and improved his times, and placed in a number of races.

Far Right: Collin Giguere was a great runner, and great leader for a team comprised mostly of underclassmen.

Bottom Left & Right: The girls cross country team was particularly strong this year. Led by Junior Kaitlyn Pajer, and Freshman Emily Moughan, the girls are no longer an also ran, but rather a team that needs to be reckoned with. As can be seen in the pictures below, Leicester runners, Kaitlin Dainis, Nida Orloff and Kayley Laflamee, lead in this tri-meet.

JV Football

The junior varsity football team wrapped up their season on a high note, defeating David Prouty in the Chicken Bowl by a wide margin.. The team was led by a host of coaches, and the players are grateful for Coach Dyson and Coach O'Brien's instruction and guidance through the season.

Unlike many JV football teams in the league, Leicester's team is made up of both freshmen and sophomores. This has been the backbone of the success of the varsity program. Having freshmen participate in intense competition, with varsity quality coaches, has helped Leicester football to remain competitive and be a force to be reckoned with in the Southern Worcester County League.

The future looks brighter than ever for our boys of fall. Freshmen Donny Harrington has shown promise at the quarterback position. Coaches mentioned Martin Lahood often as an underclassmen standout on the defensive line, and the Soucie brothers, Jack and Shawn, will be seeing many varsity minutes in the years to come.

This year's JV Field Hockey team was a group of students with varying levels of experience, coached by Ms. LaPrad. The older players were able to step up into leadership roles to help the younger players develop skills and foster a love for the game. Everyone who played was able to better their game greatly when all of their hard work paid off and each saw visible improvement. Each student who played learned valuable lessons in teamwork, responsibility, and perseverance. Eighth graders and freshmen acclimated to the nature of high school sports, while all of the sophomores and juniors were able to put another year of experience under their belts. All of the players learned to cooperate with their teammates on an athletic field, and for many this was their first time doing so. So many players were new, and they all felt lucky to start their athletic careers as a member of a team as instructive and supportive as this one. Ms. LaPrad made each individual feel comfortable, even when the going got tough. Because of the sound leadership of Ms. LaPrad and of other players, everyone was a useful part of the team - nobody felt left out. None of the players hesitated about lending a helping hand when needed, and all of the girls look forward to continuing their high school field hockey careers next year.

JV Boys Soccer

This year's boys JV soccer team nearly achieved the perfection it so desperately sought. Ultimately they fell short, but were able to set new records for a team that started many freshman. They finished the season with an outstanding record. With the team's success, there is a bright outlook for the future of Leicester soccer. The JV's will be anxious to move up to varsity and try to qualify for districts.

JV Girls Soccer

This year's girls junior varsity team had a very successful season. On account of the soccer waiver approved again to allow eighth graders to participate on the team. Even though the team was mostly eighth graders and freshman the girls played very well together to pull off a lot of big wins for being a young team. Coach Morgera coaching for her second year helped the girls improve yet again this year and teaching the girls how to effectively put the ball on the ground and move it around.

It was a long hard season for the Worcester/Leicester Wildcats. This was because of the young, inexperienced team. However, the six win season was not a result of lack of effort. The boys fought and scratched for every point they got. In the years to come things will be as successful as before. This year, unfortunately, for the seniors was a rebuilding one. Freshman coming in will be sure to grow into a force to be reckoned with. The younger players have some big shoes to fill. The Wildcats are losing six seniors including, two time all stars Tyler Spaulding and Joe Arsenault. The boys will be looking for another run at the playoffs next year.

Girls Varsity Hockey

During the 2015-2016 girls hockey season, Freshman Melanie May played as the only girl from LHS on the Auburn hockey team. Most high school athletes do not compete on teams other than their own, but Melanie overcame this obstacle and now thrives in the sport she loves most. She competed strong throughout the season, and looks forward to the next year.

Left: Freshman Benjamin Sealey knocks away a Northbridge defender while on the offensive, creating a perfect scoring opportunity for Leicester. The team went on and finished this game victorious.

Left: Freshman Benjamin Sealey takes the puck across the blue line and into the offensive zone, while racing down the boards with a Northbridge player trailing from behind. Ben then passed the puck across the ice to get the assist, putting Leicester in the lead.

Bottom Left: Junior Brett Willand battled alongside the boards down the distance of the ice. Brett dekes to the left for a strong scoring opportunity.

Bottom Right: Before the game, the collection of players from different schools joined together in a huddle on the ice. They utilized this moment in one last attempt to pump some adrenaline into the players before starting their game.

Right: Sophomore Ethan Spaulding recently hopped off the ice to catch his breath, as he notices the camera man to his right.

Left: Senior Tyler Spaulding shifts over to the side of the net as a puck was hit from the opposing team's side and wrapped around the boards. Tyler had severe pressure as goalie during his season, but shined bright throughout it, saving the team in some tough stalemates.

The 2015-2016 Boys Varsity Basketball Season was one filled with high moments. The team was captained by Dylan Porcaro, Ryan Stanick, & Matt Morrow. The season began with back to back home victories over SWCL rivals Southbridge and Auburn, and during the first half of the season the team's formula for success was established. Junior Center Matt Morrow would achieve career highs in points (20.9 points per game) and rebounds (11.5 rebounds per game), in route to leading SWCL in scoring and being named a 1st team All-Star. With Morrow as the centerpiece of the offense, the Wolverines would also receive key contributions from Senior forward Ryan Stanick (8.7ppg & 8.5 rpg) and Junior forward Danny George (9.0 points per game). At various points in the season the team got key performances from its guards; Seniors Justin Connor and Dylan Porcaro, Junior Nate Powers, and Sophomore Anthony Goodney who'd put up three-pointers all game to scavenge up the maximum amount of points as possible.

The highest moments of the season would come during a three game winning streak in late January vs. Southbridge, North Brookfield, and rival David Prouty. The iconic moment of the season coming when, trailing David Prouty by one with four seconds remaining, Sophomore Anthony Goodney drove the length of the court to sink the game-winning three-pointer as time expired.

The players weren't the only people going to all of the games, because they were joined by Leicester's Super Fan section. These students gave all players big confidence boosts because the players knew people were there rooting for them, so they'd play harder and harder to satisfy the crowd.

In the end however, the boys had a pretty good run, filled with high and lows. But through these moments, these boys put their blood sweat and tears into each and every performance, making this season a good one for all.

Above: Junior Matt Morrow was the tallest member of the team. His height played a key roll in games, allowing him to make easy layups and win rebounds.

Bottom Left: Senior Justin Connor waited for a teammate to be open. He could not find anyone in this situation, so he took the shot for himself to put the team up three more points.

Bottom Right: During the halftime intermission at Bartlett, Coach Lynch gathered his players to strategize for the next two quarters, and to bring more intensity into the game by pumping up the players with a motivational speech.

Above: Senior Ryan Stanick drives with the ball down the center of the key. Despite having two defender's bodies on top of him, he pushed through them and still managed to get the layup, and it also got him to the free throw line.

Left: Junior Danny George received a pass and dribbled the ball towards the basket. Danny was successful by getting around the defender, and scored an easy layup to put Leicester up two more points.

Top Row: Coach Stanick, Emily Fontaine , Abigail Meyers, Megan Steiger, Colleen Lamprey, Olivia Violette
Bottom Row: Lauren St. John, Kristen Jacobs, Hannah Wickson , Madison Dufries, Caitlin Kemp

This year our girls varsity basketball team had a seasonal record that would not earn us a tournament birth, and although we had a tough season the effort put into every game was incredible. The team was lead by senior captain, the only senior on the team, Megan Steiger. Juniors on the team consisted of Abby Meyers and Kristen Jacobs. Our sophomores were Can O'Leary, Madi Dufries, Lauren St. John, and Olivia Violette. Then our freshman are Emily Fontaine, Cait Kemp, Hannah Wickson, and Colleen Lamprey. Although the season was a difficult one, we worked hard at practice every day with Coach Stanick and Coach Steiger in order to execute during games. The young talent on the team proved their worthiness to play on the varsity level. This eventually paid off because we successfully defeated our rival, David Prouty, twice this season!

Considering that our team was extremely young this year their improvement from day one has been remarkable. We won 4 of our last 6 games and showed that in a single season, our growth was exponential. The team brought home three wins late in the season. These victories against Bartlett, Southbridge, and North Brookfield-all, teams who defeated us earlier in the season. showed the amount of improvement that has been made due to the girl's hard work at practice and dedication to the team. Our young players were given a crash course in inter-scholastic basketball, and in the end passed with flying colors. Although the team will miss Meg Steiger next year, the girls will make her happy by putting in effort and work hard on and off the court as a team and proving what all who watched the games know what this team can achieve.

Below: Another standout, Freshmen Caitlin Kemp started at point guard for the varsity girls team.

Top: Taylor Fontaine played significant varsity minutes as a freshmen. She helped lead Leicester to victory in a couple games.

Above: Madison Dufries was fouled in the paint and given two free throws, which were both made, putting the team up a few points in the tough game.

Below: Coach Stanick drops some basketball science on Hannah Wickson.

Above: Abby Meyers was a leading scorer for the Wolverines and provided some much needed leadership.

Below: Speaking of leadership, Megan Steiger, the team's only senior, was instrumental in helping all the underclassmen on the team to develop as both players and teammates.

Top Row: Coach Sliwoski, Scott LeBoeuf, Collin Giguere, Quintan McKeogh, Lucas Ford, Coach White
Bottom Row: Isaac Sheldon, Colby Constantine, Camden Spring, Koran Harris

The boys on the team, although short on numbers, came a long way this year. The boys improved from start-to-finish in not just their individual races, but together in their overall season. They had to conquer rigorous conditioning drills, exhaustive distance exercises, and wall-sits for three minutes at a time in order to achieve their common goal; greatness. Each boy on the team put their best efforts in to maximize the outcome of their performances.

The season consisted of six regular meets, a league meet, followed by Districts and States. The goal of these first few meets were to score a good enough time/distance/height in a specific event, in order to qualify to participate in the district and or state meet. In the end, many of the boys successfully qualified and competed at the district meet. But, senior Luke Ford was the only boy on the team to make it to the state qualifying meet.

Each boy on the team had their own special event(s): Scott LeBoeuf was the team's distance running specialist. Collin Giguere ran distance also, but he was relied upon to put the shot. Quintan McKeogh was also ran any distance and will be a leading these events as Scott LeBoeuf will graduate. Lucas Ford specialized in jumping events, both hurdles and high jump. It was for the hurdles he was selected for the State meet. Isaac Sheldon sprinted the dash and high jumped and Colby Constantine threw shotput and ran the dash. Camden Spring and Koran ran distance, and Koran Harris, both middle schoolers, ran distance and sprinted respectively.

With few members on the boys team with a wide variety of events, the team did well overall. We are all looking forward to next season.

Top Middle: Junior Isaac Sheldon jumps 5 feet 2 inches over the bar, landing safely on the mat underneath.

Left: Junior Quintan McKeough passes an opponent from David Prouty in the one-thousand meter race on their last lap. Quintan placed fifth overall at the end of this race.

Right: Chandler is one of the few boys on the team that are part of the Middle School. He is one of the few long-distance runners on the team also. Although he is in eighth grade, he can still come to compete with seniors.

Top Row: Coach Sliwoski, Aloura Dion, Ava Richard, Alexandra Rowland, Emily Moughan, Kaitlin Dainis, Alysse Carpenter, Kayley Laflamme, Coach White

Bottom Row: Isabella Sosa, Stephenie Casassa, Madisyn Constantine, Kaitlyn Pajer, Madison Rowland, Shaina Gallati, Hannah Brown

This winter, the girls had a pretty good season overall. With a small team that was almost equally divided between middle and high school athletes, the team had some struggles in the first week or so of practice. As time went on, the girls developed a feel for what the team was like, and they were able to now stay on track to succeed (no pun intended). The group became a team that worked together as a strong, dedicated group that put 110% of effort into each performance whether it was in practice, or in a meet, and they always maintained positive attitudes, overcoming all adversity.

Throughout the season, the girls had six regular meets, the league meet, then (if they qualified) the girls went to Districts and States. In these meets the girls demonstrated their individual strengths by competing in a wide variety of events that they were best suited for.

Madison Rowland, the only senior, led the Girls Varsity Indoor Track Team through the 2015-2016 season. Coaches White, Sliwoski, and Pajer were proud to see the girls grow stronger and faster and turn into better athletes. They accomplished their goals at each and every meet and ran to the best of their potential. Many girls qualified for the District Championships and Madison Rowland and Kaitlyn Pajer even qualified and competed at the State Championships.

By the end of this season, all of the girls had nothing but good things to say about their experience. The girls developed friendships with each other, along with improving their physical strength and endurance. Overall, the girls had a great time and are looking forward to the upcoming seasons.

Nothin' But Net

JV Boys Basketball

Top Row: Connor Friend, Thomas Guinee, Thomas Steiger, Joseph Frascola, Shawn Soucie, Christian Russo, A.J. Brown
Bottom Row: Robert Kemp, David Lavallee, Samuel Kenney, David Ranucci, Felix Melendez

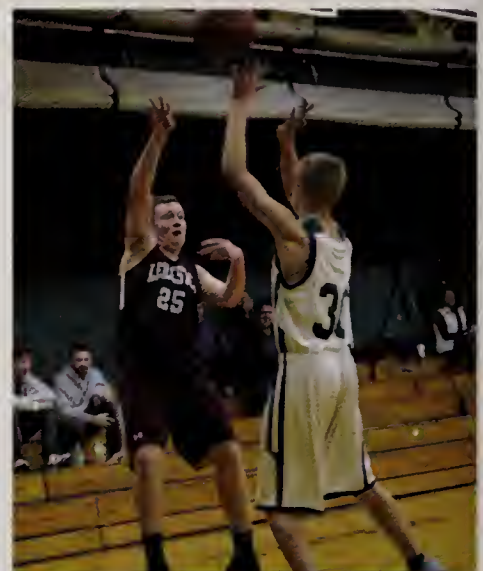

This year the JV boys had a fairly good season. Although the team did not finish with a winning record, they showed an ability to compete with each opponent they faced. Led by Coach Barry, the team had a few returning sophomores who helped the freshmen develop, but all players showed great promise.

Joe Frascola and Christian Russo are big men of the future, and freshmen Felix Melendez ran the point for a majority of games this past season. Another freshmen standout was David Ranucci. One cannot forget Rob Kemp, who channeled Kurt Rambis all season. As these young players hone their skills, tournament games are in their future.

Right: Sophomore Sean Soucie rolls around a Bartlett defender with the ball to make a swift and easy layup. This was one of the many baskets made during this game.

Below: Sophomore Troy Johnson steps to the middle of the court as the game against Bartlett is about to begin. He takes the jump ball and wins it, giving the Leicester boys good momentum to begin with. The boys finished the game victorious.

Bottom Right: Sophomore Connor Friend takes a three point shot from the outside and gets immediately fouled afterwards. Although the original shot did not go in, he made in his free throws.

Second Row: Coach Steiger, Danielle Ampofo, Kailey Adeyinka, Katelyn McKay, Michaela Hippert, Grace Marc-Aurele

Top Left: Grace Marc-Aurele receives a pass at the top of the paint, from which the ball was shot and scored.
Above: Kyra Prouty rushed to get the rebound from a previous shot, when a Tantasqua player grabbed hold at the same time, resulting in a jump ball in Leicester's favor.
Bottom Left: Kailey Adeyinka looked to make this pass in between two Tantasqua players. If memory serves, she was able to thread the needle.
Bottom Right: Michaela Hippert established position and wasn't intimidated.

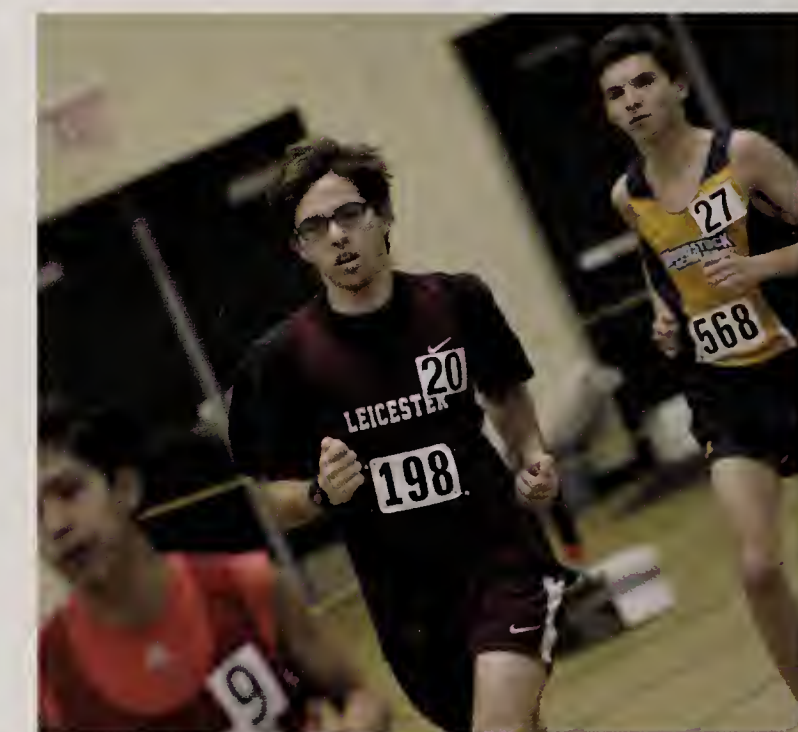

This year's JV girls basketball team was led by Coach Steiger this 2015-2016 season. The team was mainly composed of freshman and sophomores with the exception of a few juniors. The girls played a tough season, becoming a threat to each team they faced. In the beginning the team was a little bit scattered and nervous to be playing a high school sport, but eventually as games passed they became as one, and played better than they ever had. Through thick and thin, win or loss, the girls held each other's spirits up throughout the season, which made it an enjoyable one. The girls had a great time on and off the court as a team throughout the season and they hope to see each other on varsity next year.

Above: A cluster of boys fought for the rebound under the hoop. Leicester had hopes of putting it in the basket, and Bartlett hoped to get it out of their half of the court. Shawn Souice finished this play off with an offensive board.

Top Right: Danielle Ampofo and Katelyn McKay played good defense against Tantasqua by boxing out, denying any opponent the rebound.

Left: Ten minutes into the game there was a faceoff on Northbridge's side of the ice. Leicester won the face off, swiftly gained control of the puck, and within a few passes at the top of the zone, Leicester scored putting them up 2-0 in the first period.

Above: Junior Benjamin Boudreau ran the one mile race at the team's second regular season meet at Tantasqua. He ran a good race and finished in the top 50% of runners.

Going... Going... Gone!

Varsity Baseball

First Row: Camden Hart, Ryan Stanick, Brett Willand, Adam Ryan, Dylan Guinto, Ryan Greaney, Mike Albro
Second Row: Coach LaFlash, Shane Bowes, Christian Russo, Paul Pepin, Jake Smith, Ryan McKay, Andrew Sluckis, Jared Walsh, Anthony Nataro, Coach Sluckis.

The 2015 Baseball season was full of ups and downs for the boys varsity team. The boys went 2-14 during the spring time. The season started out slow for the boys, dropping the first nine games of the season. However the boys battled back through the tough times and won 2 of their next games. The team ended the season on a high note with a 13 to 1 win over North Brookfield. Senior, Ryan McKay helped lead the team throughout the season on the mound and at the plate. Jake Smith also made frequent appearances on the hill for the Wolverines. Dylan Guinto was a utility player that played all over the diamond and helped lead the team throughout the season. The team has new hopes for the next season, but is not completely ignoring the past year. The team plans to learn from their mistakes last year and make their strengths even stronger. Junior Ryan Stanick led the team in batting,

making sparks throughout the year, anchoring the lineup. Also, junior Mike Albro provided sparks for the team. Anthony Nataro also provided a solid defensive player in the outfield. The boys had great depth at first base with both juniors Paul Pepin and Jared Walsh. Adam Ryan was the team's second baseman for a majority of the season. A few Sophomores that helped the team in the duration of the season. Brett Willand was the teams shortstop and leadoff hitter for the year. Ryan Greaney helped the team with some nice hits as designated hitter in the lineup. Shane Bowes anchored the hot corner for the Wolverines throughout the year. Camden Hart led the team from behind the plate, as catcher. Christian Russo led the Wolverines on the mound in their two wins.

Bottom left: M Albro caught the ball for a close out to end that inning, before the other team was able to get a run in. Top: the team egged on the batters from the dugout during the 4th inning, they ended up scoring two runs that inning. Bottom Middle: R Stanick got a hand on ground ball, and returned the ball to first to get the out. Bottom Right: R McKay planted his feet deep in the dirt and pitched a fast ball across the plate to get the strike out to end the inning..

Keep Ya' Eye On The Ball

J.V. Baseball

First Row: Pat Whalen, Connor McKay, Thomas Steiger, Baylen Harper, Micheal Mercier
Second Row: Coach Lavin, Brandon Clay, Robert LaBaire, Reece McLeod, Andrew Braley, Sean McCarthy

Bottom left: P Pepin, who was playing first base, stretched off the base to catch a ball that was falling short, to complete a double play in the second inning.
Top right: C Russo, stepped up to the plate at the top of the third, and got a crack on the ball and sent it into the outfield, allowing the team to score a run.
Middle left: R Greaney, waits on base for the next ball to be hit as he receives advice from the first base coach. He later scored a run, taking the lead for the team.
Middle right: R McLeod, led off base to get a head start after the next ball was hit.
Bottom right: T Steiger awaited for the pitchers ball to fall into his glove at the bottom of the fourth inning. The batter was then struck out.

2015 Junior Varsity baseball was a season only of great moments. With an overall record of 9-7, the team had fun, while at the same time getting work done on the diamond during games. This season was a team effort by having everyone contribute each game. From great plays in the field, amazing pitching and catching, phenomenal hitting, and extraordinary coaching, the squad held together quite nicely throughout the Spring. Backed by a high powered offense, the pitching staff was sensational, throwing a near no hitter, a three pitch inning, and a four strikeout inning. Contributions from both freshmen, and sophomores alike were apparent every game. The team and Coach look to seek the same success in the 2016 season.

Even Good Girls Steal

Varsity Softball

First Row: Emily Stead, Madison Dufries, Julia Hebert, Kiley Hennesey, Lauren St. John.

Second Row: Meghan Steiger, Ashley Granger, Erin Granger, Madison Sherman, Allyson Crowley, Coach Stanick.

Girls softball once again was a strong team. Coach Stanick worked hard with the girls at practice, which helped them succeed during the season. He also earned his 100th win this season, a great accomplishment as coach of the the Leicester Wolverines softball program. We sadly must say goodbye to this years senior captain Julia Hebert, who has done amazing things for our program this season. Julia stole her 100th base this season, breaking the previous record at the high school. The starters for the Wolverines were as follows: lead off batter, centerfielder Julia Hebert, second batter, shortstop Madi Dufries, third batter, catcher, Allison Crowley, fourth batter, first baseman, Meghan Steiger. Fifth batter, second baseman,

Kiley Hennesey. Sixth batter, third baseman, Madison Sherman. Seventh batter, pitcher, Ashley Granger. Eighth batter, left fielder, Erin Granger. Ninth batter, right fielder, Maddie Witcomb. Our alternates on the team consisted of Lauren St. John and Emily Stead. The girls season was an even 10-10, qualifying the team for yet another tournament appearance, and they look forward to making districts the following year.

Bottom left: A Granger wound up a pitch and sent it across the plate with speed and power. The opposing team's player was struck out at this time, and the inning was ended.

Top right: at the top of the fourth inning, a few members of the team talked to each other about the game was going so far. Bottom middle: A Crowley and Mr. Stanick high-fived after another successful inning. The team proceeded to win that game.

Bottom right: M Steiger fielded the ball and quickly threw the ball to first base, and was able to get the first out.

Run Hard, Turn Left

J.V. Softball

First Row: Melanie May, Jackie Robidoux, Caitlin Kemp, Alysha Benoit, Hannah Wickson, Hannah DiPilato.

Second Row: Coach LaPrad Maddy Birtz, Lydia Petit, Sarah Jusiewicz, Emily Fontaine, Emily LaTour, Michaela Hippert.

Top Left: E LaTour warmed up at the top of the inning as she waits for the first batter.

Top right: M May stepped up to bat and crushes the ball, sending it to the outfield.

Middle right: C Kemp quickly picked up a dropped ball, and threw a girl out at second base.

Bottom right: L Petit pitched for the first half of the game, and ensured the girls with early lead in the game.

The Junior Varsity Softball team had a great 2015 season, finishing with a record of 9-3. This season, 8th graders were allowed to join the team at the Junior Varsity level. Although the record breaking snowfalls put a damper on all those excited for spring to start, the softball team was secretly grateful for the snow that just wouldn't melt. The

longer there was snow on the ground, the more practice time the team got before their first game. The extra practices the team was able to squeeze in before the start of the season allowed the 8th graders an opportunity to get comfortable with the game and the team to truly bond as one.

The strong team bond directly resulted in a successful season. The 9 wins the team earned were strongly dependent on the great catching and pitching dynamic the team had developed. When at bat, the players were successful, due to their ability to hit the ball very well. At the JV level, it is important to experience the game and prepare the players to move forward. The girls successful record shows just how much they learned and grew over the season. Not only did the team play well together on the field, but they had fun doing it.

Stop Chasing Me!

Boys Varsity Track

First Row: Scott Leboeuf, Zach Squires, Luke Ford

Second Row: Coach White, Coach Sliwoski, Brian Jorritsma, Chris Porcaro, Ben Boudreau, Tony Bahnan

The boys 2015 track and field season was one of the most successful in recent years. We had the largest number of boys compete at the district meet that I've ever seen. There were many of the boys who earned medals at this event, including some who won multiple events. We also had a strong number competing at the state meet, where even more earned medals.

Unlike any other sport, Track has a total different atmosphere to it. The sport is based on your individual performance, other than the relay races. In a track meet, you run, jump, and throw to the best of your ability in order to try to finish in the top performers overall in that event. If you place among the top of the athletes, you score different amounts of points that go towards your team. In the end, the team who had the most points scored together wins.

In track, there's a variety of events to compete in. You can compete in jumping, throwing, short distance sprints, and long distance running. Jumping events include long jump, triple jump, and high jump. Throwing consists of javelin, shot put, and discus. The sprinting events are 100m dash, 200m, 400m, 110m hurdles, 400m hurdles, and the 4x1 relay. The distance events cover the 800m, the mile, and the two-mile. Our team had a strong number of about 50 members. They ranged from seventh graders to seniors. With this number of people, we could successfully and thoroughly fill the different events up with as many people as we could. This allowed us to score more points in our meets, and overall be more successful.

Top Right: D LeBlanc wound up a spin and projected the discus down the field, becoming the lead thrower on the team.
Top Left: T Bahnan took perfect form before launching the shot put far down the sector.

Bottom Left: L Ford stretched over a hurdle to pass his opponent. He finished with the fastest overall time in the Auburn meet.
Bottom Right: A Kane sent a missile down the field, finishing with the top javelin throw at the meet.

I Don't Need Wings To Fly

Girls Varsity Track

First Row: Michelle Pajer, Baylee Ford, Mary Brown, Jessica Coyle, Alexis Dupuis

Second Row: Emily Wright, Carley Cascione, Kaitlyn Pajer, Alysse Carpenter, Jordan Davis, Mady Constantine

Third Row: Sabrina Grammatic, Kailey Adeyinka, Sarah Moughan, Madison Rowland, Kaitlyn Dainis, Amanda Saucier, Coach Sliwoski, Coach White

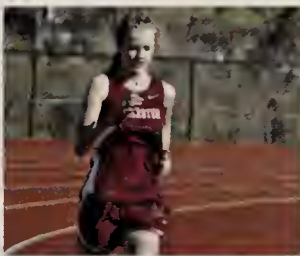

Top Right: M Rowland transitioned into her final phase of her triple jump at the Auburn meet. She later on claimed the LHS school record as her own with a 35' 2" jump.

Bottom Left: M Brown discovered her inner hurdling talent by winning her first race, and eventually earned a medal at states for the event.

Middle Left: K Pajer paced herself during the one mile race and finished first out of all the girls at the Quaboag meet.

Middle Right: J DeGaetano muscled the javelin far down the sector as her friends and teammates cheered her on.

Bottom Right: A Meyers took the lead in her heat of the 100m dash, and finished the race victorious in the Tantasqua meet.

Girls 2015 Track and Field had a very successful season despite the snow staying longer than wanted. The girls pushed through the cold conditions and still trained for their meets. Leicester later sent many girls off to districts not only competing but also medaling. Soon after that Mary Brown, Baylee Ford, Kaitlyn Pajer, Abby Meyers, Madison Rowland, and Alysse Carpenter went on to compete at the state qualifying meet in Westfield. Not only did the girls compete fantastically but Madison Rowland also beat the school triple jump record for the second time with a 35'2" jump to send her to states and also to medal second. Mary Brown also received eighth in hurdles. This season turned out lovely for the ladies.

Love Means Nothing

Boys Varsity Tennis

First Row: Ethan Spaulding, Kyle Petit, Cullen Mars

Second Row: Connor Friend, Tyler Jefferson, Harsh Patel, Benjamin Kenney, Matt Kilmonis

This season full of ups and downs for the Leicester Varsity Boys Tennis Team that went 6-12. We stayed positive and worked as a team in every game we played. The lineup was always changing, so we got to see some new players shine every week. Sophomores Tyler Jefferson and Matthew Morrow really came into their own as players and were vital in the starting lineup for most of the season. The team was lead by Seniors Matthew Kilmonis and Cullen Mars. The team was hardworking and fought hard through every single game. The boys always had fun at practice where we improved on the little things that would translate to wins in the season. Even with our two reliable senior captains gone, the Boys Tennis Team has some young and talented players with great potential that are ready to make an impact in the 2016 season.

Top Left: M. Kilmonis played the opening set in a home match. In this picture he volleyed the ball over the net to win the set.

Bottom Left: E. Spaulding played a tough match against Auburn and remarkably got the ball back over the net.

Top Right: A. Bahnan and C. Green played the first doubles match of the day, and won that match.

Bottom Middle: T. Mott set up for a powerful serve.

Bottom Right: J. Connor also set up for a serve. The determination is shown in his face.

Baby Got Backhand

Girls Varsity Tennis

First Row: Brittany Bowes, Sarah Gaffney, Brittany Flynn, Kate Jyringi
 Second Row: Jaymi-Lyn Souza, Grace Marc-Aurele, Hannah Brown, Leah Perna, Olivia Violette, Grayson Lacroix, Lauren Kowalacyzk, Annalise Robidoux, Coach Southwick

Bottom left: B. Flynn, During the early season match at Grafton Highschool, returned the ball with a powerful backhand swing. She won the set shortly after.

Top Right: G. Marc-Aurele focuses on the opposing team's player as they set up their serve, and prepares for her first move.

Bottom Right: The captains from each team gather together and introduce themselves before any of the matches start.

Lower Right: S. Gaffney swung tight against her body in order to volley the ball back over the net.

Lower Far Right: G. Lacroix relaxed to prepare for the fast ball that was coming in her direction. She finished her set victorious after a stalemate of advantages.

The girls tennis team had a very successful season with a final record of 14-6. Led by captains Sarah Gaffney, Kate Jyringi, and Brittany Flynn, this group of girls had a great time playing a sport they all loved. With Grayson LaCroix at first singles, Annalise Robidoux at second, Sarah Gaffney at third singles, as well as the duo of Brittany Flynn/Kate Jyringi at first doubles and Brittany Bowes/Grace Marc-Aurele at second doubles, the starters showed immense skill and just as much sportsmanship, taught to them by Coach "Madame" Southwick. The 2015 Girls Tennis Team was a prime example of a team becoming a family, and our seniors will be sorely missed while the rest look ahead to having another spectacular season.

Let The Fun Begin

Senior Dinner Dance 2015

The class of 2015's Senior Dinner Dance was one to remember. The venue of the dance was Holy Cross, and it took place on May 15th. The theme was Mardi Gras, which included party favors such as bedazzled wine bottles, masks, beaded necklaces and sunglasses. All of the girls looked stunning in their dresses, while all of the boys looked handsome in their dress shirts and ties. The class of 2015 looked sharp that night.

Above: Seniors get down on the dance floor at their last high school dance

The evening started out as usual, with friends going to each other's houses to

take pictures together and with their dates. Once that was done, everyone migrated to the Town Common to take pictures with more people and to take one, big class photo. These were the first moments when everyone got to check each other out, admiring each other's makeup, hair, or outfit. By the end of this, everyone's face hurt from smiling too much at the cameras.

After everyone took what seemed like a thousand pictures, they made their way to Holy Cross where the actual night began. When people arrived, they walked inside and handed their SDD tickets to one of the chaperone teachers. Then they were instructed to find their assigned table, which consisted of a total of eight people. After that, everyone was free to do whatever they wanted.

The food that was amazing and delicious. For appetizers, everyone was offered a variety of cheeses and crackers. The main course included bread rolls, fruit salad, baked potato soup, grilled vegetable medley, cheese tortellini, macaroni and cheese, and Chicken Piccata. Lastly, for dessert, there was rich and gooey brownie pudding. No one went hungry at the dance that night.

All throughout the evening you could find people dancing on the center dance floor to some great music, thanks to an awesome DJ. Others were found in the picture booth, taking lots of pictures together with silly masks and hats, while others were happily sitting at tables, getting second helpings of food, resting, or talking to friends. No matter what people were doing, they were having a great time.

A big recognition and thanks goes out to the 2015 class advisers, Ms. Lavellle and Mr. Smith, for putting this dance together. They planned, organized, and set it up. But they did get some help and input from the class officers and the senior dinner dance committee. Everyone worked hard to make the dance great, and they succeeded. It was an awesome and memorable night for everyone.

Our weeks of preparations for Class Day came to fruition on May 28th, 2015. The marching maroon and white gowns filled the stage for one final hurrah to remember our four years at Leicester High School. Arriana-Rose Carney, our resident Anthem singer, graced the stage one last time as a high school student to belt out our National Anthem. Sam Berman, class president, welcomed our friends, families, and the faculty to enjoy the festivities to come. None other than Tim Peltier, our treasurer, recounted our every minute at L.H.S. with an enthusiasm only he could have brought to the stage. Remarkable seniors were then awarded for their hard work, leadership, and citizenship during the awards portion of the day. Our advisors, Mr. Smith and Ms. Lavelle, regaled us with stories of our four years and delivered well-planned jokes to the audience during the senior superlatives. After we shared a few laughs, it was time for the tissues to come out as we all turned to watch the "Look How Far We've Come" video made by Mr. Zawada and his team. The 2015 yearbook was dedicated to Mrs. St. John right before we gave our final gift to L.H.S.: the new wolverine.

Farewell My Friends

Senior So Long

Every adult tells you when you start high school how quickly the years will pass. We brush it off as freshmen longing to be back on summer vacation, or to be able to sit on the senior's side of the cafeteria. Little did we know they were right. As freshmen in our highlighter green shirts we thought prom but a distant dream when Mr. Smith and Ms. Lavelle took us down to the gym to show us our future prom location. Before we knew it, after we stepped up our fundraising, we were at our prom dancing the chilly night away at Mount Wachusett. We came into our senior year like lions. We were ready. We rode through our senior year drinking in every moment - even the stressful ones. As our senior events came to a close it became a reality. So, maybe being remembered as "the highlighter class" is not so bad because we forever made our mark on Leicester High. Here's to you, Class of 2015. Leicester High School, forever a piece of you, will miss you.

Megan,
Wow where did the time go? It seems like just yesterday we were bringing you home from the hospital (a month early!!) and now you are graduating from high school. Watching you grow into the amazing young woman you are today has been some of the best moments of our lives. As you begin this next journey of your life we have no doubt that you will succeed at everything you do because that is what you have always done. We couldn't have asked for a better daughter than you. We are so proud of you Megan and want you to know that we will always be there for you...WE LOVE YOU to the moon and back Peanut. Never forget that.

Love,
Dad (aka Paul Swagger)
Mom (aka Mamma Steig)
Tommy (aka T-Bone)

Senior Class Will

- I, Jacob Reynolds, leave my sound system responsibilities to Mrs. Looney. May you have much success with them.
- I, Madison Whitcomb, leave all of my memories to my sister in hopes that she can top them.
- I, Olivia Downer, leave behind my perfectionism to Ally Mars and my little cousin Caitlyn.
- I, Dave Mello, leave Mr. Cleveland's room to Mom Constantine, Leonardo DiCaprio to Deshawn, & lip syncs to Brandon Clay.
- I, Elisha Little, leave behind my little sister Rylie being the last little to go through LHS and my wonderful cheering team to do such great things.
- I, Kelsey Allen, leave behind my younger cousin Jordan H and my friend Abigail M.
- I, Ashley Menard, leave my awesome history club skills behind for someone else to attempt to fill the void when I'm gone.
- I, Amber Santiago, leave behind a teacher's parking spot for Kailyn Schulman every day she's late.
- I Sam Boamah, leave my happiness and love in the hallways of Leicester High. I also leave my favorite jersey number 6, not only because I have to, but my boy Donny Harrington wants to rep it next fall. My last memory I'm leaving behind are the haircuts I got throughout my Wolverine career.
- I, Molly Murphy, leave Mrs. St. John to all the following homerooms that get to be blessed by her presence.
- I, Austin Pratte, leave my musical talent to everyone in LHS in hopes of reviving the school band. But that won't happen.
- I, Lucas Ford, leave Coach White behind for all trackletes for the next eternity.
- I, Emily LaTour, leave good memories of singing cool songs with my best friend, Kristen Jacobs.
- I, Paige Jones, leave my best friend to protect my brother during his freshman year.
- I, Liang Dzindolet, leave behind my amazing dance family at Dance Techniques to Abby Lougee in hopes that her love of dance will continue on without me. I also unwillingly leave behind the cell phone I accidentally buried on Senior Patio Clean Up Day.
- I, Mike Albro, leave my red hair to Ben Cote.
- I, Erica St. Francis, leave my striking power in bowling to my brother, Anthony St. Francis and my day dreaming in Mr. Grim's to whomever deems worthy.
- I, Ryan Stanick, leave the number 1 jersey to Nate Powers.
- I, Karishma Sewsankar, leave behind the challenge to remain nerdy and kind for all four years of high school.
- I, Meg Steiger, leave behind the secret bathroom in the locker room to all of my amazing basketball family, good luck next year girls!
- I, Jordan DeGaetano, leave behind Student Council, Tri-M, and my #1 soccer jersey to the next generation of Nike Gods.
- I, Annalise Robidoux, leave my positive memories and love for tennis to my sister.
- I, Jeanne Phan, leave behind my senioritis.
- I, Krissy Lindner, leave you all with nothing just me leaving that's it.
- I, Shelby Miller, leave reading the superfluous golf announcements to whoever gets the joy of reading them.
- I, Sarah Moughan, leave this until the last minute.
- I, Justin Connor, leave behind the basketball team to my little brother Nick. Ball up young blood.
- I, Nikolas Makie, leave behind Kam Pye
- I Anastasia Cichowski, leave a broken shelf in locker 611. if it was fixed thank you. if not I'm sorry to whomever has it. p.s. it was an accident. Those books were heavy.
- I, Paul Pepin leave a wooden crate of Calvin and Hobbes books to Christian Russo.
- I, James Allen, leave behind many memories with my fellow teachers, coaches, and underclassman. I leave my jersey #3 to future athletes. Time flies, live life and take risks.
- I, Alex Bahnan, leave behind four great years of high school with friends and faculty. I also leave behind my jersey number 11 to my little brother Matt, the last Bahnan to come through LHS.
- I, Madison Rowland, leave behind my track legacy to my little sister Alex Rowland.
- I, Harry Cocker, leave the bowling team and my size 12 large bowling ball to Eddie Guenette.
